BAY ISLAND, SARASOTA, FL

Prime waterfront property located on the prestigious north end of Siesta Key. Nestled along coveted Norsota Way, this exceptional double lot boasts 150 feet of deep-water bay frontage—a rare find in a neighborhood where most properties offer just 100 feet. What truly sets this property apart is its unrivaled, panoramic views of Sarasota Bay and its one-of-a-kind sightline directly onto downtown Sarasota’s dazzling skyline. By day, enjoy an endless expanse of shimmering water; by night, the twinkling city lights create a captivating spectacle. For boating enthusiasts, this deep-water location provides effortless access to the Intracoastal Waterway and Gulf of Mexico, making it a true boater’s paradise. Currently on the lot is a historic, beautifully crafted 3,788-SF Spanish home built in 1926 and featuring three bedrooms and four bathrooms. While it sustained severe damage from the 2024 storms, it can be lovingly restored to preserve its timeless charm or the lot can be cleared to make way for a modern waterfront estate perfectly tailored to your vision. Opportunities like this are exceedingly rare, don’t miss your chance to own a premier piece of Siesta Key’s waterfront, where breathtaking views, deep-water access, and endless possibilities await. The property and structures are being sold as is due to the recent hurricane damage.
