One or more photo(s) has been virtually staged. Wake up to the bay. Easily access the beach. Spend the day on the water. Come home to calm.

Set on the bay side of Siesta Key, this beautifully renovated two bedroom two bath residence offers a lifestyle that is both rare and highly sought after. A private deeded 38 foot boat slip and private access to Siesta Key Beach come together within one waterfront community, creating an exceptional balance of boating and beachside living.

Located in the understated Bayfront enclave of Boca Siesta, this residence offers private access to Siesta Key Beach, known for its expansive shoreline and world famous quartz crystal sand. The bay side setting provides peaceful water views and a quieter sense of retreat, while the beach sits just across the street.

Renovated in 2019, the residence at #206 features a more open and inviting floor plan with solid wood cabinetry offering generous storage, granite countertops throughout, plantation shutters, crown molding, impact windows, new ceiling fans, and fresh interior paint. The living and dining areas flow seamlessly into a screened private patio with impact windows overlooking the bay, creating a comfortable extension of the living space. The primary suite offers calming water views and a spacious ensuite bath with a jetted

soaking tub, large walk-in shower with rain shower head, dual split vanities, and a generous walk-in closet. The second bedroom and bath behind a pocket door, provide flexibility for guests or additional living needs. Boating enthusiasts will appreciate the private deeded 38 foot dock, a rare feature among more northern Siesta Key condominium communities to accommodates a larger vessel. Additional conveniences include covered carport parking, private storage closet under the building, and a full-size washer and dryer located in a large utility room with extra cabinetry in the unit.

Community amenities include a heated bayfront pool, lighted tennis, pickleball and basketball courts, fishing pier, kayak launch, grilling areas, and a bayside clubhouse with kitchen, bar, sauna, and fitness area. Private beach access is granted through the association, with access just across the street through Sarasota Surf & Racquet Club.

From this location, Siesta Village, South Village dining, and downtown Sarasota are easily accessible by bike, free ride services, or the Siesta Key trolley, which now continues directly into downtown Sarasota.

For those who choose Siesta Key for the water as much as the beach, Boca Siesta offers an effortless boating lifestyle where Sarasota Bay and Siesta Key Beach are part of everyday life. Experience life at Boca Siesta.
