CASARINA, SARASOTA, FL

WHY Should I Consider Casarina? Because this is one of those RARE moments when Buyers can step into a fully modernized community on Siesta Key. It should actually be called "Casarina 2.0" since all the major decisions, major projects, and major disruptions are behind themâ€"including the assessments! Which means todayâ€™s lucky buyer is going to enjoy modernized systems, refreshed amenities, and peace of mind from day one without any of the major inconvenience or cost. In other words: it looks and feels fresh, solid, and built for coastal living. ***OKAY, but why buy THIS condo?*** Because, if this exact condo were a few floors higher, youâ€™d be looking at almost \$2M. Instead, youâ€™re getting THREE bedrooms, exceptional renovations, professionally decorated, and true TURNKEY furnishings for just \$1.45M; making it one of, if not THE smartest value currently available in the community! This three-bedroom, two-bath residence offers an ideal second-floor location, providing the convenience of stairs or elevator access along with gorgeous tropical views. Not to mention it also comes with one of the closest, most coveted, carport parking spaces in the complex. Once inside, you'll find open concept kitchen-dining-living area, a custom built-in bar area with refrigerator and separate ice maker perfect for entertaining, three bedrooms, two bathrooms, a laundry room

with additional storage, wall mounted tvâ€™s, ceiling fans throughout, quartz and granite countertops, crown molding, sculptured wall design, plus many more architectural details. The murphy bed in the third bedroom allows it to double as an office. And if you prefer some outdoor space, the sunroom can easily be returned to a lanai with installation of sliding doors between living room and sunroom (estimate from local window/door company has already been prepared).

This condo has it all and so does Casarina with over seven acres of lush tropical grounds, its own private beach and on-site management. You can enjoy a resort lifestyle with a heated pool and spa, outdoor shower, basketball, tennis and pickleball courts, clubhouse, outdoor kitchen, boardwalk, sunset deck, and endless sunsets. Just minutes from Siesta Village, the location offers an easy balance of beachfront tranquility and vibrant island life. Call now to schedule a private tour!
