Residential

PALM BAY CLUB I, SARASOTA, FL

Own a piece of paradise at the Palm Bay Club tower, where Siesta Key sunsets and Gulf views become a part of daily life.

Positioned in the waterfront tower, this airy corner residence captures a rare perspective down Siesta Key's shoreline, where wide Gulf views, turquoise water, and the movement of the surf are visible from every room. Its unique southern orientation is one of the reasons the current owner fell in love with the property. It offers the beauty of a true Gulf-front setting without the harsh afternoon sun that many beachfront residences contend with. It is low enough to remain connected to the beach and water below, yet elevated enough to frame a panorama of the coastline. The experience from within the residence is both soothing and unforgettable.

Floor-to-ceiling windows fill the unit with natural light throughout the day. Morning sunrises arrive softly through the eastern-facing windows, while the southern exposure continuously reflects the changing colors of the Gulf, beach, and sky across the living spaces.

Lovingly maintained as a private coastal retreat for the owner, the residence has been thoughtfully and continually improved with an emphasis on luxurious comfort, quality, and

ease of ownership. Features include custom cabinetry and generous storage, KitchenAid and Kohler appliances, Brizo fixtures, designer lighting and furnishings, top-of-the-line custom Hunter Douglas blackout blinds, hurricane-rated window protection, a private in-unit washer and dryer – a rare convenience within the building, and much more. The interiors feel refined yet relaxed, designed for extended stays, entertaining guests, or simply enjoying quiet mornings overlooking the water.

While this residence has primarily been enjoyed privately, Palm Bay Club's™ highly regarded in-house rental program and flexible three-day minimum rental policy provides an exceptional option for owners seeking to generate income alongside personal enjoyment. The property includes 24-hour onsite security as well as full-time management, front desk and maintenance personnel 7 days/week. Many long-term staff members contribute to the welcoming and established feel that owners value so highly.

The Palm Bay Club's beach resort lifestyle comes with a level of service and atmosphere that sets it apart on Siesta Key. Available beach staff will take the complimentary loungers anywhere on the private beach by ATV. Owners and guests enjoy one of the largest expanses of direct access private beach frontages on the Key, with an outdoor grill, covered pavilions, a rinse station, and additional premium beach cabana services. The Gulf side amenities also include poolside bathrooms and showers, and a fitness center that looks out to the big heated pool and tennis/pickleball courts. A brand new shuffleboard court has been added in 2026.

For a different laidback vibe, residents and guests simply walk to the Bay side to lounge

by the heated pool and hot tub, where they can watch the boats go by amidst the boat docks, fishing pier, and palm trees.

Must see to appreciate this rare tower unit with one of the most desirable and requested orientations at this exceptionally well maintained gulf-to-bay resort condo complex. This fully furnished turnkey property is move-in ready for immediate enjoyment or future rental use.
